

गृह मंत्रालय  
MINISTRY OF  
HOME AFFAIRS

Date: 21/08/2026

## TO WHOMSOEVER IT MAY CONCERN

This is to acknowledge and appreciate the valuable contributions of **Himanshu Bhardwaj**, who has successfully completed his internship at the Indian Cyber Crime Coordination Centre (I4C), Ministry of Home Affairs, New Delhi. The internship was conducted from 05/01/2026 to 10/08/2026 (31 weeks) in recognition of his commendable performance and continued contributions.

During his tenure, he was actively involved in the research and development of cybersecurity solutions and digital investigation tools under the **National Cybercrime Research and Innovation Centre (NCR&IC)**. He contributed to the design and development of a web-based **OSINT TOOL**, including backend development, backend API integration, and dashboard implementation. He also performed web application testing and vulnerability assessment, and gained practical exposure to cybersecurity tools such as BurpSuite and Sysinternals Suite. Additionally, he contributed to optimizing large-scale database management for resource efficiency without compromising search performance, user identification automation, and development of a **training module for the 1930 call-taker center**. He also contributed to the ongoing development of a web-based **APK malware analysis tool with AI-based summary generation**, along with technical documentation related to cybercrime investigation methodologies.

He demonstrated a strong understanding of web application development, cybersecurity, digital forensics, and vulnerability assessment. Technical competence, analytical skills, and commitment enabled him to contribute effectively to the research and development activities at the National Cybercrime Research and Innovation Centre (NCR&IC).

I appreciate his commitment, professionalism, and enthusiastic attitude throughout the internship. I wish him continued success in all his future endeavours.

**With best regards,**

**(Nishant Kumar)**  
**Director NCR&IC**
